

# CAN-AM CH27X24 - Narrow Cabinet - 1 Hanging File Drawer - 2 Small Drawers

**A Media and File Cabinet in one. All in less than 2 feet.**  
Stationary in one drawer, CDs and media in another and legal or letter sized files below. All safe and secure with a single lock. Talk about multi-tasking. Imagine what else you could do.

CH27X24 Combines one 12-inch tall hanging-file drawer and two 6-inch tall media or general purpose drawers. And at less than two feet wide it fits virtually anywhere you need flexible storage.

## A Perfect Fit.

Set them under any table top for instant work stations. Take another narrow cabinet in the 27 series and design a desk that meets your needs. More filing or general media drawers? You've got it. Flip-door storage area? No problem.

As with all our modular cabinets, it integrates seamlessly into virtually any configuration. Go ahead. Get what you want, anywhere you want it.

Imagine all the things you could do and all the configurations you can design. Full extension sliders, safety interlocking drawers and a single lock puts this cabinet in a league of it's own. Go Configure.

*This desk consists of a 4-drawer narrow cabinet (M4D27X24) and a CH27X24 combination filing cabinet on 2" metal legs (LEGSM) with a metal desk top (MDTOP) and modesty panel (DESKMP).*

*Use legs at different heights to bring the desk to the exact height you need it.*

**CH27X24** is the narrow version of COM3D27. It is sized like our other narrow cabinets in the 27 series, allowing for many different configurations to be created.

All our drawer and flip-door cabinets include a key lock for added security and peace of mind. They are all keyed alike for your convenience. This cabinet can be ordered without locks.

- Includes hardware for connecting when stacking
- Provides dust-free space efficient storage
- The hanging file drawer can be configured for legal- or letter-sized hanging files or used to store toaster-sized items
- The 6" drawers can be configured with our divider kit (DIVBS12) for storage of CDs or DVDs / Blu-ray.
- Like all Can-Am cabinets, there is no assembly required.

**CAPACITY:** 270 CDs or 120 DVDs/Blu-ray in standard packaging. 540 CDs in slimlines. Plus letter or legal files, or other larger items.

## MATCHING COMPONENTS

The CH27X24 shares the dimension of the cabinets on the right. This is useful when stacking cabinets to create configurations. Also stack with other narrow width cabinets or line up with standard or narrow cabinets in the 27 series. See the item page for details.
