

This TV Stand consists of F2D27X24 and HF27X24, on metal legs (LEGSM) with a metal top (MTOP49)

Or, take the same cabinets, use a metal desktop (MDTOP) instead, and make a useful and stylish desk.

Can-Am is all about modularity and choice - YOUR choice!

SPECIFICATIONS

Weight: 65 lbs

Inside Bottom Drawers: 20" W x 6" H x 18" D

Inside Top Drawers: 20" W x 12" H x 18" D

Weight Capacity: 60 lbs per drawer

Construction: 18 & 22 ga cold rolled steel

Finish: Baked on powder coat

Lock: Standard (Cabinets can be ordered without locks)

FEATURES

- Combines 6" drawers and pullout storage for lots of flexibility
- Safety interlocking drawers prevent tipping
- Two key locks for added safety and flexible security
- Heavy duty full-extension ball bearing sliders
- Includes hardware for connecting when stacking
- The 6" drawers can be configured with our divider kit (DIVBS12) for storage of CDs or DVDs / Blu-ray
- Rear wire way cutouts keeps you connected

CAPACITY: The two bottom drawers can each hold 135 CDs or 60 DVDs/Blu-ray in standard packaging. Over 500 sleeves per drawer.

MATCHING COMPONENTS

The F2D27X24 shares the dimension of the cabinets on the right. This is useful when stacking cabinets to create configurations. Also stack with other narrow width cabinets or line up with standard or narrow cabinets in the 27 series. See the item page for details.

Good Things Come In Small Packages

FCOM2D27 cabinet provides a combination of a flip-door storage area and two 6-inch deep media or general purpose drawers. Add pullout/stationary shelves or mini-drawers in the upper storage area to create your ideal setup!

And at only two feet wide, this cabinet will fit places it's larger counterparts could never dream of going.

Stand-Alone or Modular - FCOM2D27 Fits Your Needs

Like all Can-Am cabinets, it fits seamlessly into virtually any modular configuration - but with this flexibility, it's easy to see why it's a popular stand-alone storage solution.

Optional legs, wheels, pullout shelves or drawers, and tops finish it off nicely, and 18 powder coat colors mean it will match any decor.

The full extension sliders mean you have access to every inch of space - and to avoid tipping, the safety interlocking feature ensures only one drawer can be open at a time.

Note: Because there is no divider between the top and bottom halves, a pullout shelf, mini drawer, or stationary shelf is a necessary addition to the flip-door area.

- Room for lots of standard components and oversized items
- Adjustable feet levelers provide stability and lift the cabinet off the floor. The levelers rest in dimples topside for positive positioning when stacking
- Provides dust-free space efficient storage
- Series of tabs accept pullout or stationary shelves or mini-drawers, which can be placed in several positions in the flip-door area
- Like all Can-Am cabinets, there is no assembly required.

OPTIONS: WHEELS / LEGS / TOPS / DIVIDERS & BACKSTOPS / PULLOUT SHELF / STATIONARY SHELF / MINI DRAWER
