

FCOM2D27 on wheels with Mica Top and 2 pullout shelves

Two Cabinets in One!

Part media cabinet, part flip-door pullout - it's the best of both worlds. FCOM2D27 provides a flip-door pullout area and two 6-inch deep media or general purpose drawers. Add pullout or stationary shelves or mini-drawers in the upper storage area to create your ideal setup!

Saving Money is always in style!

This combination cabinet does what a MC2D14 and a locking FDCAB14 does, at a considerable saving.

Stand Alone TV Stand or Game Station. Game on!

This one cabinet holds it all: your electronics, consoles, games, Blu-ray discs, controllers, remotes and accessories - and it will even hold your TV. All compartments lock for peace of mind. Go Configure!

It Also Plays Well With Others

FCOM2D27 is shown at right with our four drawer cabinet (MC4D27), and matching metal top (MTOP77), but can be configured to work in any configuration you can imagine. It lines up with any cabinet in the 27 series and will stack with any of our standard width cabinets.

SPECIFICATIONS

Weight: 90 lbs
 Cabinet Dimension: 37.75" W x 26.75" H x 20" D
 Inside Drawers: 34" W x 6" H x 18" D
 Drawer Weight Capacity: 80 lbs per drawer
 Construction: 18 & 22 ga cold rolled steel
 Finish: Baked on powder coat available in 18 colors

FEATURES

- Combines 6" drawers and pullout storage for lots of flexibility
- Safety interlocking drawers prevent tipping
- Two key locks for added safety and flexible security
- Heavy duty full-extension ball bearing sliders
- Includes hardware for connecting when stacking
- The 6" drawers can be configured with our divider kit (DIVBS12) for storage of CDs or DVDs / Blu-ray
- Rear wire way cutouts keeps you connected

- Room for lots of standard components and oversized items
- Adjustable feet levelers provide stability and lift the cabinet off the floor. The levelers rest in dimples topside for positive positioning when stacking
- Provides dust-free space efficient storage
- Series of tabs accept pullout or stationary shelves or mini-drawers, which can be placed in several positions in the flip-door area
- Like all Can-Am cabinets, there is no assembly required.

CAPACITY: The two bottom drawers can each hold 270 CDs or 120 DVDs/Blu-ray in standard packaging. Over 1000 sleeves per drawer.

MATCHING COMPONENTS

The FCOM2D27 shares the dimension of the cabinets on the right. This is useful to create configurations that line up. It will also stack with any standard width cabinets or line up with any narrow cabinet in the 27 series. See the item page for details.
