

CAN-AM HF27X24 - Narrow 2 Drawer Lateral Filing Cabinet

This stack consists of M4D27X24 on top of a HF27X24 on metal legs.

This desk consists of HF27X24 and F2D27X24 on 2" metal legs (LEGS2) with a metal desk top (MDTOP).

A Lateral Filing Cabinet Good Enough For Your Living Room - But A Real Hit Anywhere!

This might look like any other lateral filing cabinet, but it isn't. It's Can-Am: strong, solid, safe, and durable with a hint of style that just fits - and at less than two feet, it fits a lot of places.

It's also part of the Can-Am family of modules so it seamlessly integrates into any configuration. HF27X24 is perfect for storing letter- or legal-sized files, or simply for storing larger items that don't fit into cookie-cutter storage furniture.

Stand-Alone or Modular - HFCAB27 Just Fits

With this much capacity, in such a small footprint, it's easy to see why it's our most popular narrow filing solution. Optional legs, wheels, and tops finish it off nicely, and 18 powder coat colors mean it will match any decor.

The full extension sliders give you access to every inch of space - and to avoid tipping, the safety interlocking feature ensures only one drawer can be open at a time.

SPECIFICATIONS

Weight: 65 lbs
 Cabinet Dimension: 23.5" W x 26.75" H x 20" D
 Inside Drawer: 20" W x 12" H x 18" D
 Weight Capacity: 60 lbs per drawer
 Construction: 18 & 22 ga cold rolled steel
 Finish: Baked on powder coat
 Lock: Standard (Cabinets can be ordered without locks)

All our drawer cabinets include a key lock for added security and peace of mind. They are all keyed alike for your convenience. This cabinet can be ordered with or without locks.

Why Not Supersize it?

HF27X24 is also available in a full-width version, at just over three feet wide, as HFCAB27. If you have the room, consider it.

FEATURES

- Safety interlocking drawers prevent tipping
- Key lock for added safety and security
- Heavy duty full-extension ball bearing sliders
- Includes hardware for connecting when stacking
- Two 12" deep drawers can be configured for legal or letter sized files or larger and taller items
- Adjustable feet levelers provide stability and lift the cabinet off the floor. The levelers rest in dimples topside for positive positioning when stacking
- Provides dust-free space efficient storage
- Ideal height and setup for a desk or computer/work station
- Like all Can-Am cabinets, there is no assembly required.

CAPACITY: Each drawer can hold items up to 12" in height and which weight up to 60 lbs.

MATCHING COMPONENTS

The HF27X24 shares the dimension of the cabinets on the right. This is useful when stacking cabinets to create configurations. Also stack with other narrow width cabinets or line up with standard or narrow cabinets in the 27 series. See the item page for details.
