

### Two Drawers, hundreds of possibilities

A Two Drawer Cabinet holds 540 CDs (1080 in slimline cases or cardboard holders) or 240 DVDs. Much more in paper or plastic sleeves. It is the perfect add-on cabinet and is very useful in designing configurations or to meet certain height objectives.

They're not just for CDs and DVDs either - Imagine all the things you could put into six inch deep drawers. With 80 lbs of capacity and full-extension ball-bearing sliders, MC2D14 can hold it all and provide access to every inch. A safety interlocking feature allows only one drawer to open at a time and like all Can-Am drawer cabinets, the MC2D14 has a key lock - for added safety and security. And for your convenience all cabinets are keyed alike.

*This configuration consists of a 2-drawer cabinet next to a flip-door cabinet (FDCAB14), with a double length mica top (TOP75)*

### SPECIFICATIONS

Weight: 70 lbs

Cabinet Dimension: 37.75" W x 14.5" H x 20" D

Inside Drawer: 34" W x 6" H x 18" D

Weight Capacity: 80 lbs per drawer
