

**PUSHE - Pullout Shelf**

Whether you need a sturdy rollout shelf for electronics, a keyboard or laptop station, or simply an on demand work surface or desk, the pullout shelf is it. The sliders snap into the desired slots and the shelf snaps onto the slider. It takes up only two inches of height.

**SPECIFICATIONS**

Weight: 13 lbs  
 Shelf Dimension: 35.25" W x 2" H x 18" D  
 Construction: 20 & 22 ga cold rolled steel  
 Sliders: Heavy duty full extension  
 Finish: Baked on powder coat to match your pullout cabinet  
 Capacity: Will hold up to 60 lbs comfortably

**FEATURES**

- Full extension sliders for total access and ease of wiring
- Position shelves exactly where you need them
- Wire space between shelf and the back of the cabinet
- A positive friction catch keeps shelves from rolling out accidentally.

**ASHELF - Stationary Shelf**

If you don't need the added functionality of a pullout, or want a thinner shelf to fit more equipment in, this adjustable stationary shelf uses the same slats - and is less than one inch thick. It is reinforced to carry up to 50 pounds of electronics.
